

FINE CUT

This festival is a tribute to Fine Cut founder, Jack Larson. In the late 1990s Jack Larson approached KCET with the idea of creating a student film series that would provide talented students with the much-needed opportunity to have their short films selected for television broadcast. Mr. Larson understood how difficult it was for young filmmakers to get broad exposure for their work because, typically, student work is only seen at special screenings and film festivals. Mr. Larson thought that public television was an excellent platform for providing critical visibility to emerging filmmakers. KCET shared Mr. Larson's enthusiasm and together they created *Fine Cut*, which continues to be a flagship program of KCET today.

FINE CUT

3) WHAT IS YOUR PREFERRED FORMAT FOR SUBMISSION?

All films must be submitted via Film Freeway

4) DO YOU ACCEPT SUBMISSIONS ON VHS OR ANY OTHER FORMAT?

No. Films must be submitted via the Film Freeway Secure Online Screener system, <https://filmfreeway.com/festival/FineCut>.

5) WHY DON'T YOU ACCEPT SUBMISSIONS ON BLU-RAY?

Although we have accepted both Blu-Ray and HD-DVD formats in the past, it has proven to be more efficient to use to one standardized format for viewing submitted films.

6) IF MY FILM INCLUDES NON-ENGLISH DIALOGUE, DO YOU REQUIRE ENGLISH SUBTITLES?

We require that all films that contain significant non-English dialogue include on-screen English subtitles, and not captions supplied by a video streaming service such as Vimeo. A translated list of dialogue on paper is not sufficient. If your film is mostly in English and you intend to intentionally leave out subtitles for any non-English dialogue included in the film, you do not need to provide subtitles for those particular sections.

7) WHAT SHOULD I INCLUDE WITH MY SUBMISSION?

After you have completed the online application, we need from you is a single copy of your film and a digital file of a 30 second trailer for promotional purposes. In an effort to cut down on waste, we ask that you do not send printed press or promotional materials to us.

9) HOW OLD CAN MY FILM BE AND STILL QUALIFY FOR SUBMISSION?

Any film submitted for 2020 Festival consideration must have been completed in either 2018 or 2019. If your film was completed prior to 2018, it is no longer eligible for submission. If your film's production took place prior to 2018 but your final cut was not completed until 2018 or 2019, your film is still eligible.

10) MY FILM WAS NOT ACCEPTED IN THE PAST. CAN I RE-SUBMIT?

No, you may not re-submit.

11) CAN I SUBMIT A NEWER CUT OF MY FILM AFTER I'VE ALREADY SUBMITTED AN EARLIER VERSION?

Sending in replacement cuts after you have already submitted a prior version of the film can cause a great deal of confusion throughout the screening process and it is also not fair to those who sent in a cut prior to their selected submission deadline. We reserve the right to disqualify by sending in a replacement cut of their film after their selected deadline has passed. If you log into your Film Freeway account and your film has not been marked as received, please contact us at finecut@pmgsocal.org before you send another copy.

WE WILL ONLY VIEW THE FIRST CUT OF YOUR FILM THAT WE RECEIVE!

12) DO I REALLY HAVE TO REGISTER MY FILM ONLINE?

All submissions must be issued a unique Tracking Number in order to be recognized by our system. The only way to get a Tracking Number is to fill out the online application at Film Freeway, <https://filmfreeway.com/festival/FineCut>. Unregistered submissions will not be viewed. If you are having trouble with the online form, please e-mail us at finecut@pmgsocal.org and we will be glad to help guide you through the process.

13) AM I REQUIRED TO OBTAIN RIGHTS CLEARANCE FOR MUSIC OR OTHER COPYRIGHTED MATERIAL INCLUDED IN MY FILM?

From a legal standpoint, you must clear all copyrighted, or trademarked material included in your film before you can publicly screen it. However, PMGSC does not check to ensure that you have obtained clearance for these materials at any point during the application process, nor will we be held responsible for any inclusion of un-cleared materials in your film. It is the sole responsibility of the entity submitting the project to secure permission from the copyright or trademark holder of the material in question, whether it is music, stock footage, or any other elements that could violate an existing copyright or trademark. Applicants of films that are accepted into the Festival must sign a waiver stating that materials used in the film do not violate any existing copyright, trademark or other intellectual property rights. Quite often, rights holders offer reduced rates for festival films, so you should contact them directly to avoid any possible rights infringements.

16) WHAT IF MY CONTACT INFORMATION OR ANYTHING ELSE ABOUT MY SUBMISSION CHANGES AFTER I'VE FILLED OUT THE APPLICATION?

You may log into your account at Film Freeway at any time to update or revise your application. We will use the public contact information from your application to contact you regarding problems with your submission and to notify you of your acceptance status, so please ensure that this information is always kept up-to-date.

17) WHEN WILL I FIND OUT IF MY FILM WAS SELECTED?

We will contact you via e-mail August 1, 2020. Please make sure that the e-mail address you provided on your application will be operational at that time. 19) YOU DON'T ACTUALLY WATCH ALL OF THESE SUBMISSIONS, RIGHT?

We depend on new talent and new filmmakers to uphold our mission as a Festival. If we didn't watch the films submitted to us, we would miss out on so many new works of independent film. If your film is received in time and there are no playability issues, your film will be treated exactly the same as all other films submitted to us for consideration.

20) IF MY FILM IS NOT CHOSEN, MAY I SPEAK WITH A PROGRAMMER FOR NOTES OR FEEDBACK?

Unfortunately, no. With a multitude of film submissions expected, it simply isn't viable for us to correspond with each applicant individually. Don't be discouraged if your film isn't accepted-- we view far more worthy films each year than we have room to play.

21) WHEN DOES THE 2020 FINE CUT FESTIVAL OF FILMS TAKE PLACE?

The event will take place prior to the series launch in September of 2020, dates TBD. We hope to see you there!
